**B**

The diagram shows three horizontal bars, each composed of small squares. The top bar is 15 squares long. The middle bar is 30 squares long. The bottom bar is 15 squares long, with a gap of 10 squares between its right end and the right end of the middle bar.

**1**

**A**

A diagram illustrating a sequence of blocks. The top row consists of 38 small rectangular blocks arranged horizontally. Below this, there is a gap, followed by a small box containing the text "38:3", and then another gap followed by 8 more small rectangular blocks.
