Question 25: Wherein consists the sinfulness of that estate whereinto man fell?

Answer: The sinfulness of that estate whereinto man fell, consists in the guilt of Adam's first sin, the want of that righteousness wherein he was created, and the corruption of his nature, whereby he is utterly indisposed, disabled, and made opposite unto all that is spiritually good, and wholly inclined to all evil, and that continually; which is commonly called original sin, and from which do proceed all actual transgressions.

Question 26: How is original sin conveyed from our first parents unto their posterity?

Answer: Original sin is conveyed from our first parents unto their posterity by natural generation, so as all that proceed from them in that way are conceived and born in sin.
