

2. 

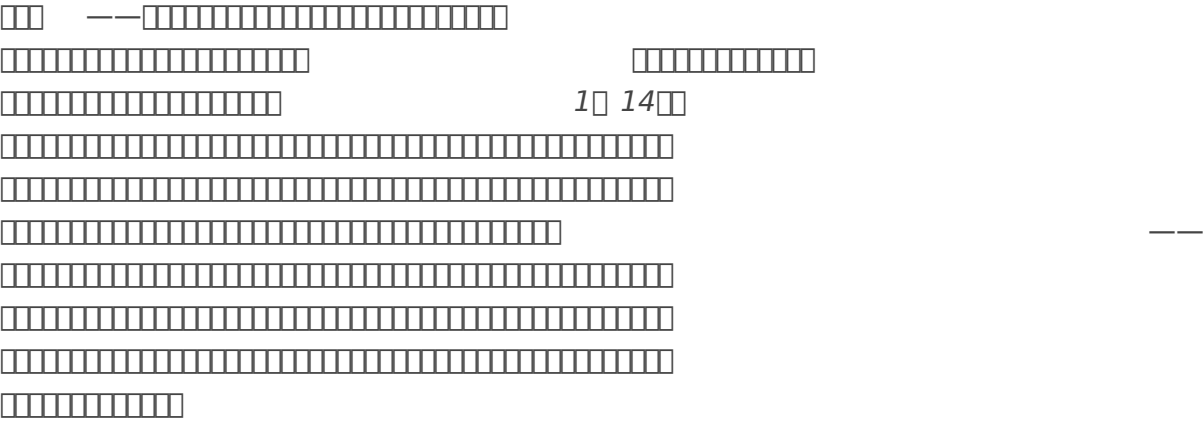

--	--	--	--	--

The diagram consists of three horizontal rows of rectangular boxes. The top row is a single continuous row of 20 boxes. The middle row is divided into three sections: a row of 10 boxes on the left, a dashed line in the center, and another row of 10 boxes on the right. The bottom row is a single continuous row of 20 boxes, aligned with the top row.

A grid consisting of 6 rows and 20 columns of empty boxes, intended for writing numbers.

## Dualism
