[illegible]

The diagram consists of six horizontal rows of small squares. Each row contains 10 squares in total, representing a whole divided into 10 equal parts (tenths). The first row is completely filled with 10 squares. The second row is also completely filled with 10 squares. The third row has 7 squares filled. The fourth row is completely filled with 10 squares. The fifth row has 7 squares filled. The sixth row has 4 squares filled.
