Blomberg

Blomberg

Oral tradition

[illegible]

A 10x10 grid of squares. The top row (row 1) and the first column (column 1) are shaded gray. All other squares are white. This represents the set of numbers from 1 to 99, where the row number represents the tens digit and the column number represents the units digit.

 $6 \square 5$

 $32$

[illegible]
